### Bird Nests

7 oz. jar Marshmallow creme  
1/4 c. Creamy peanut butter  
2 Tbsp. Butter, melted  
5 oz. can Chow mein noodles  
1 c. plain M&M's, optional  
Powdered sugar  
Peanut M&M's

In bowl, beat marshmallow creme and peanut butter until smooth. Fold in your noodles and the plain M&M's. Chill until you can easily handle it. On a piece of wax paper, form mixture, shape nests with fingers, 1/3 cupful makes a 3-inch nest. Chill. Dust with powdered sugar. Place your peanut M&M's in each nest. Yield: 9. Note: May put 4 or 5 jelly beans in nests before you chill the nests instead of peanut M&M's or any desired Easter Candy. You can also make the nests a little larger and add an Easter Little Peep to the nest.
