Orange Julius

- 1 (6 oz.) can frozen orange juice concentrate
- 1 c. milk
- 1 c. water or pineapple juice
- 1/2 c. sugar
- 1 tsp. vanilla
- 1/2-1 banana
- 1-2 trays ice cubes

Put ingredients in blender jar. Add ice to fill to 1 1/2 quart line. Blend together in blender until thick and slushy. We prefer adding at least some pineapple juice in place of the water.
